SEATING EXCELLENCE AT WORK

PREMIERE

# Premiere

series

**Premiere**, is a system of seating from Merryfair, designed specifically for lecture halls, conference centers, meeting rooms and similar purposes.

**Premiere**, is a comfortable and practical auditorium chair which has a wide range of backrest options to suit most needs. With different height and style of backrest, there are a lot of combinations available for this seat. Fully upholstered side panel provides a neat and clean look for *Premiere*. Armcaps can be PP in standard black colour or with hydro printing technology in beech colour.

Writing tablet, moulded in ABS in standard black colour, it is an ideal optional feature for conference rooms, classroom and other auditoriums or halls requiring a small writing surface. It is practical, easy accessible and simple to operate. It can be retracted inside the side panel when not in use.

Seat numbering, can be easily found on the back cover and seat cover. The letter is etched on stainless steel plate in black colour.

Aisle lighting with numbering is available and placed on the side panel. The wiring for this aisle light fixture is concealed inside the side panel.

**Premiere**, a perfect combination of modern design, durability, ergonomic comfort and price.

Back- and seat cushions are moulded polyurethane foam with ergonomic design, furnished with various colour of fabric. The polypropylene(PP) back cover with numbering is convenient for audience to locate their seat from behind.

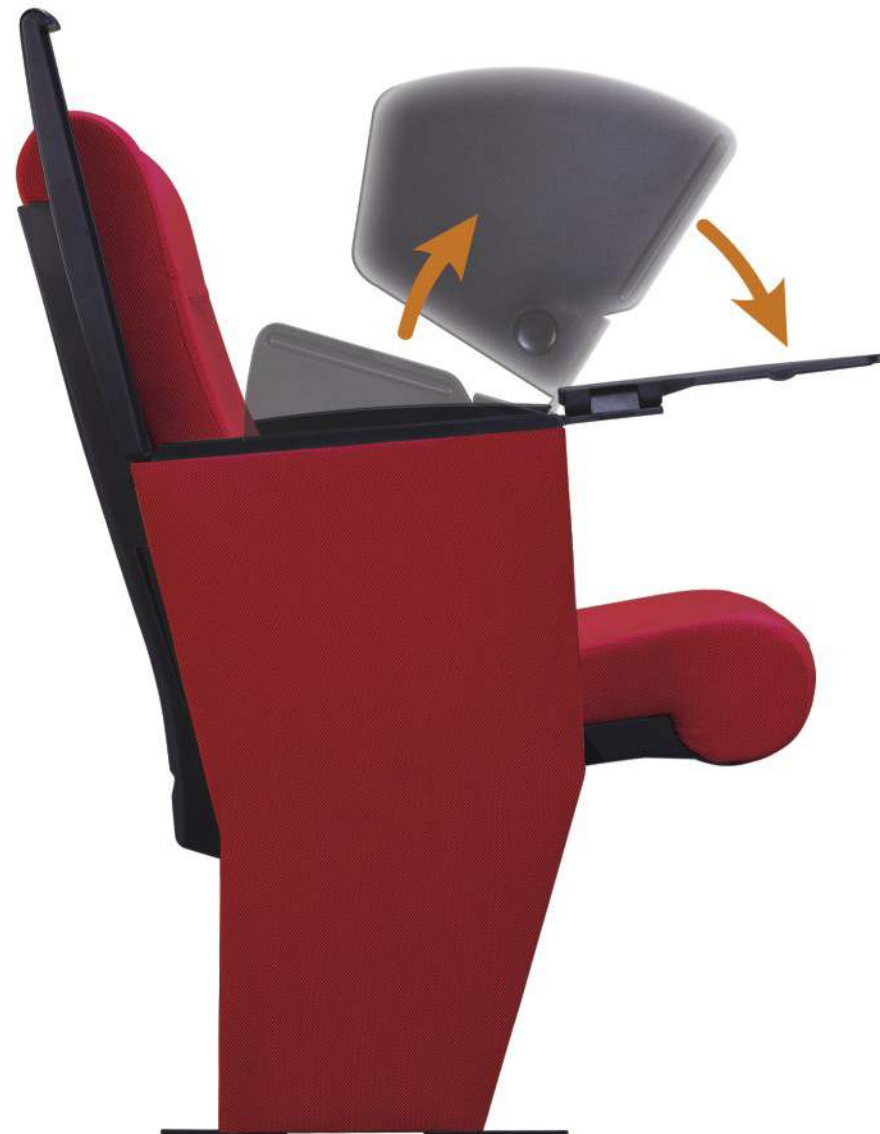

Upholstered polyurethane seat with spring return mechanism hidden inside the seat cover. Injection Moulded Polypropylene(PP) seat cover with structural ribs for extra beauty and strength to the seat itself.

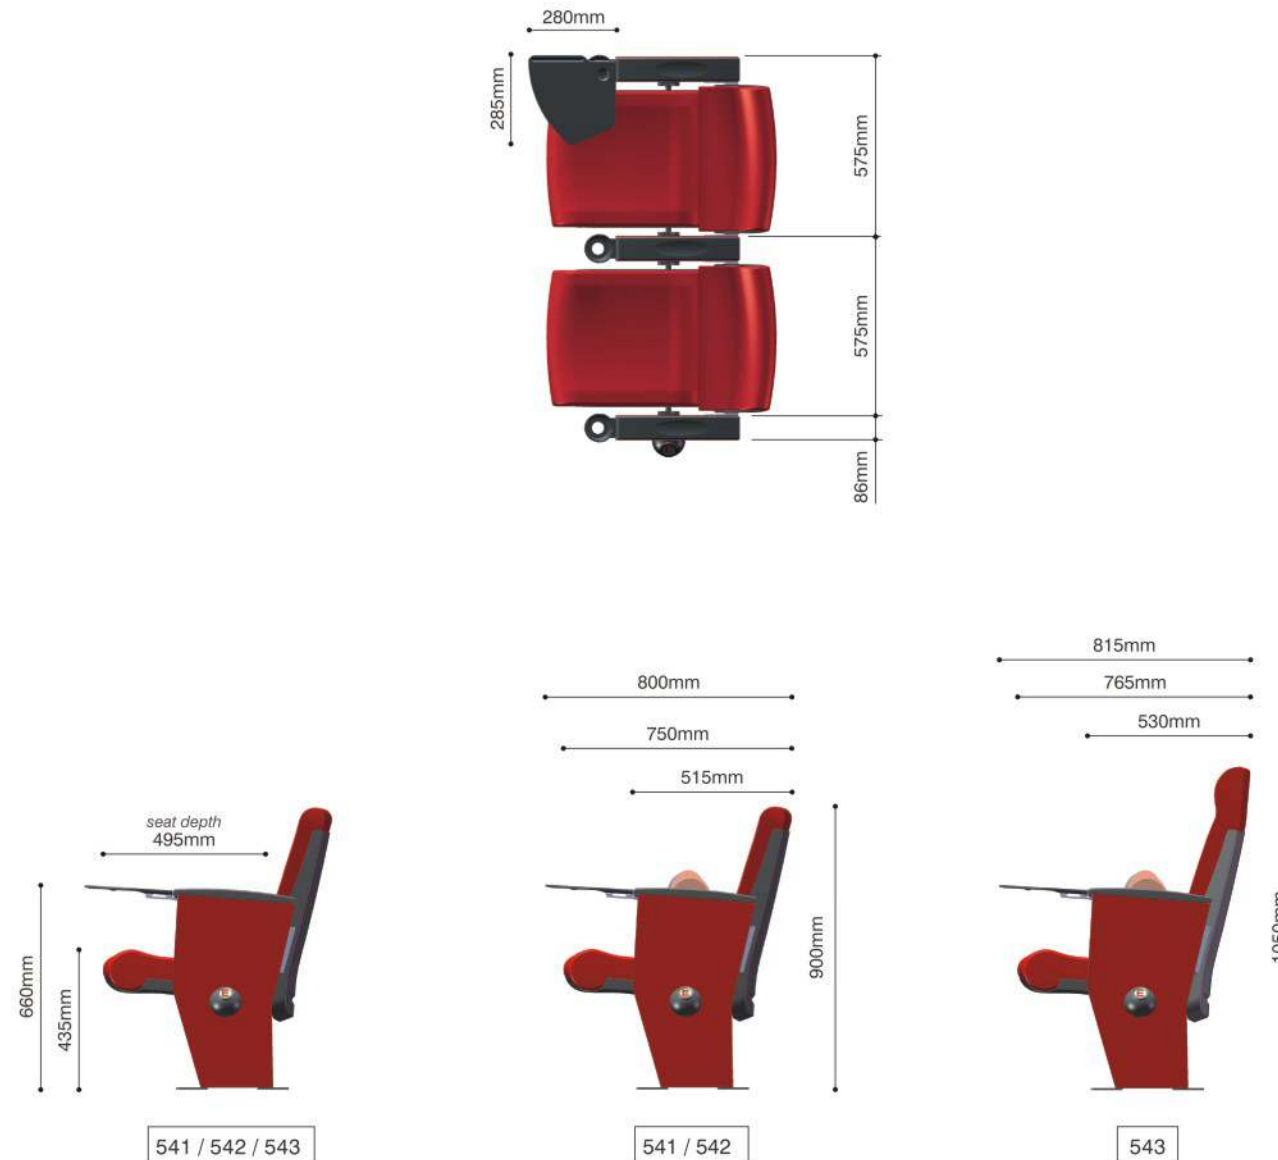

The tablet can be retracted inside the side panel when not in use. The heavy duty die-cast aluminium structure provides the strength to support an A4 size tablet suitable for laptops, conference binders or others. Pencil and accessories slot specially designed for suit the needs of multitasking audiences.
