Walk or Run, Your Choice !

Personalize your Exercise

Our walking treadmill offers personalized workouts and excellent value for money. Choose from six speed modes including slow walking, hill climbing, and race walking, etc.

Wireless Control

Super sensitive and versatile, it is way better than infrared ones, and with a one-click mute button, you can work out quietly without bothering anyone!

Multi-layer Running Belt

With its multi-layered design, it's built to last, offering greater durability and resistance to wear and tear, so you can focus on your workout without worry.
