FlexiSpot

Fully Adjustable Arm

The F7's flexible arm lets you easily move your monitor with a light touch — rotate, extend, swivel, or tilt it to the perfect position anytime.

Complete 360° Rotation

The flexible arm rotates 360°, letting you switch your monitor between landscape and portrait—perfect for web design and coding.

Hassle-free Installation

The F7 comes with sturdy C-clamp and grommet bases for quick, easy installation—set it up in minutes.
